

In the offer list, FTF of 3" is 64mm, OD is 142mm, it is fit to EN1092 Flanges, not fit to ANSI150.

If the flanges between pipe to pipe is ANSI150, and the OD will be 133mm, it is smaller than 142mm (DIN).

So pls confirm which kinds of OD you need for 3" sample. Please select and write "√" in the corresponding brackets

- A. OD=142mm, FTF=64mm (        )
- B. OD=133mm, FTF=64mm (        )
